Reactivation of a retired license must be requested in writing and in compliance with Rule 101.7 which is available for review on the TSBDE website.

*** Staggered Renewal Changes ***

In order to align with recent rule changes, upon renewal of your license/registration your expiration date will be staggered to a biennial renewal affecting licensees due to renew by 10/31/2018 and thereafter. A system has been created in order to evenly distribute renewals to be moved to a two-year license.

Licensees selected for a one-year renewal will pay the one-year renewal fee. Licensees selected for a two-year renewal will be required to pay the two-year renewal fee. This is not optional.

If your renewal was updated to reflect a one-year renewal, when you next renew your license, it will be for two years.

Renewal post cards will continue to be sent out 60 days prior to your expiration date to the mailing address provided.
