General Renewal Information

Dental Hygienists, who do not renew their license before the expiration date, **may not** practice until your license is brought into a current status. You may begin practicing again after you have received your registration certificate and display it where services are provided. There is no grace period for late renewal of a license.

CPR Requirement: Section 257.004 of the Texas Occupations Code requires that all licensed dentists, dental hygienists, and registered dental assistants sign a written statement that the applicant has successfully completed a current course/program in CPR, or holds a physician's verification that the applicant is physically unable to complete CPR, or applicant resides in a foreign country. CPR training must include a written assessment and a demonstration of skills. Computer and video-based CPR training courses given by an instructor that include training on a hands-on practice manikin by the applicant and a written assessment of skills, either taken online or in a classroom setting, are acceptable. Online courses that do not include a live instructor for a demonstration of skills and training on a practice manikin by the applicant are not acceptable.

Jurisprudence Assessment: The Jurisprudence Assessment is required once every 4 years. If you need assistance in finding the date of your last assessment please visit: <https://txn.esslearning.com/catalogs/tsbde/>. To purchase the SBDE Jurisprudence Assessment visit: www.tsbde.state.texas.gov/Jurisprudence

Continuing Education

As a prerequisite to the biennial renewal of a dental or dental hygiene license, proof of completion of 24 hours of acceptable continuing education is required, as required by the Texas Occupations Code and the SBDE Rules and Regulations at Chapter §104.1.

CE Audits: TSBDE audits approximately 5% of the selected renewal population 60 days before the license is due to expire. If you have been selected for an audit, you will not be able to renew your license until you have complied and the audit has been approved by TSBDE staff. Late fees will accrue if you cannot provide the required approved documentation, prior to your expiration date.

Child Support Default: Dental Hygienists in default of paying child support will not be allowed to renew a license until a repayment agreement has been approved by the Texas Attorney General, Office of Child Support and notification has been received by the Board.

Licensure Retirement: Dental Hygienists requesting their license be retired are required to submit a Retirement Request Form **PRIOR** to the expiration of their license. A request for licensure retirement is subject to the license being current and in good standing with no open investigations or active board orders in effect at the time of request. Once the retirement is granted, annual licensure fees and continuing education requirements are waived for the period the license is in retirement. Reactivation of a retired license must be requested in writing and in compliance with Rule 103.7 which is available for review on the TSBDE website.

*** Staggered Renewal Changes ***

In order to align with recent rule changes, upon renewal of your license/registration your expiration date will be staggered to a biennial renewal affecting licensees due to renew by 10/31/2018 and thereafter. A system has been created in order to evenly distribute renewals to be moved to a two year license.

Licensees selected for a one year renewal will pay the one year renewal fee. Licensees selected for a two year renewal will be required to pay the 2 year renewal fee.

If your renewal was updated to reflect a one year renewal, when you next renew your license, it will be for 2 years.

Renewal post cards will continue to be sent out 60 days prior to your expiration date to the mailing address provided.

Any questions should be directed to licensinghelp@tsbde.texas.gov.
