Subject: Comment regarding proposed rule RULE §115.10 Administration of Local Infiltration Anesthesia

Dear Ms. Mendez

I am reaching out to you to comment on proposed RULE §115.10 Administration of Local Infiltration Anesthesia on <https://tsbde.texas.gov/laws-rules/proposed-rules/> at the Feb 16 2024 board meeting.

I am hoping to seek clarification on credentialing for education for the initial certification for the existing RDHs and DH entering into practice (recent graduation or non-CODA schools). Since the learners have graduated from DH school, they will not be enrolled in CODA DH program to get credentialed.

As a potential provider of course that meets proposed education for the initial certification, can the proposal clarify guidelines for the course provider that will help verify the quality of the educational content?

1. Will the provider be required to submit the course to Texas State Board of Dental Examiner for review and approval?
2. Will the provider be required to submit the course to approvers specified by Texas State Board of Dental Examiner for review and approval?
3. Combination of 1. Or 2. Or both or another guideline.

Sincerely
