TSBDE Licensing EXPO 2023 For Dental Graduates

We are pleased to announce we will be offering the option to all dental graduates to attend Licensing Expo for onsite application processing! Licensing Specialists will be on hand to help in the process. This provides recent graduates the opportunity to walk-in with the required documentation in hand for the Licensing Team to approve on the spot.

The event will take place Tuesday, **June 13, 2023** at the **Barbara Jordan Building, 1601 Congress Avenue, Room 2.035 Austin TX 78701**. **TSBDE staff will begin processing applications at 8AM. Applicants must be checked in by 3PM in order to receive same day processing.** We are expecting a high attendance rate, so you may experience a long wait time.

Attached is a checklist of documents you will need. Copy machines will not be available, so be sure to have all your documents together. All documents must be on 8 ½ X 11 paper (excluding passport photo).

The status of the license will be Expired after it is first issued. You will receive a letter with instructions for paying the prorated initial renewal (activation) fee online. This letter will authorize you to practice for 30 days. This fee will activate the license by changing the license status to Active and updating the expiration date. The updated expiration date may be valid anywhere between 18-30 months. Once you pay your activation fee you should receive your new decorative wall license in the mail approximately 7-10 business days later.

Although it will not be required on the day of the event, we will have a computer station on hand for the licensee to complete the initial renewal process to activate the license. Wearing a mask is optional.

We look forward to seeing everyone at the Expo!
